

Better Coaches, Better Skills, Better Learning

Organized, structured and safe, Sportball is a terrific complement to your physical education program, promoting physical literacy in a fun, non-competitive environment that helps to build skills and foster self-confidence.

1 Program, 8 Sports

Soccer, Hockey, Basketball, Baseball, Volleyball, Tennis, Golf, Rugby

Sportball Multi-Sport for Toddlers to Nursery (16 mths - 3 yrs)

Children are taught important physical skills while developing the confidence and skills that relate to playing different sports. They refine, rehearse and repeat skills and play games in a fun, creative and non-competitive environment.

Sportball Multi-Sport for Kindergarten 1 & 2 (3 - 6 yrs)

Children are introduced to the concepts and skills involved in eight popular sports. Developmentally appropriate methods are used to reinforce the benefits of teamwork and skills development rather than the importance of winning.

Sports Day, Family Day and more!

Have a special event to run at your centre? Sportball can run fun and amazing ad-hoc events for you!
